BacPac Rain

14.0" - 15.4"

Sporty Notebook backpack with rain protection

In rain or sunshine - BacPac Rain protects your Mobile Computing Equipment from unpleaseant surprises. The integrated rain cover in the floor of the bag provides perfect protection from moisture. The water-repelling hull is simply pulled over the backpack!
Your Notebook is securely protected in the cushioned Notebook compartment! The attached front pockets offer enough room for documents, mobile accessories, power supply units, carabiner hooks as key chains, etc.! The side opening for headphones allows you to use your telephone or listen to music which keeps your hands free! The adjustable, cushioned shoulder strap as well as the back cushioning make carrying this bag a true pleasure!
